INTERNATIONAL CULTURAL EXCHANGE

# FSU Students Explore Jamaican Culture, Develop Friendships

FSU students and students from the University of the West Indies (UWI), Jamaica, interact and develop deeper understandings of each other's cultures this week on FSU's main campus as a part of the [Beyond Borders](#) program.

Through Beyond Borders FSU students engage in meaningful cultural exchanges with incoming international students on FSU's campus then travel to either Jamaica during Spring Break 2019, or Dresden, Germany, for three weeks following the spring semester.

This week, 12 UWI students interacted with FSU students in the Beyond Borders program and the greater FSU community. One way they did this was by giving a classroom presentation in which they shared their culture through music and dance. As a part of this dynamic presentation, FSU students joined UWI students as they [performed various styles of Jamaican dance](#).
