## German Students Welcomed as Part of Beyond Borders Intercultural Exchange

FSU students in the Beyond Borders program welcomed 10 German students and their team leader from our partner institution in Germany to campus last week. This unique, short-term cultural exchange program provides FSU students with the

opportunity to host incoming international students at FSU then travel abroad to either Jamaica or Germany and participate in activities and events that allow them to develop a deeper understanding of that country and its people.

The Beyond Borders FSU students are participating in two weeks of activities with the guests, and part of this included a campus tour during which they had the opportunity to meet President Thrasher in Bryan Hall.

This unique exchange program offers an alternative to traditional academic study abroad programs. First-year FSU student Bernadyne Thelemaque studying nursing said that she had an interest in studying abroad, but liked that the Beyond Borders program would provide an in-depth cultural perspective.
