- Saturday, April 20th | 2 PM and 7 PM

"This is the first time I will perform in the FSU Flying High Circus, and I am very happy about it," said De Leon, FSU senior from Panama studying industrial engineering. "It's been in this place where I have lost my shyness of speaking a foreign language and learned how to be more comfortable in the American culture. The most amazing thing about the circus, however, is its people. They made me feel welcome since day one, and now I can trust them as if they were my family."
