INTERNATIONAL COFFEE HOUR

Every Friday from 5–6:30 p.m.

Join Us for Virtual International Coffee Hour

Join us for virtual International Coffee Hour, which will be held each Friday from 5–6:30 p.m. on Zoom, so that we can all stay connected and continue to support each other in these challenging times.

Watch Our Live Cooking Demonstration Beginning at 5 p.m.

Most students say one of the things they like best about International Coffee Hour is the opportunity to sample unique snacks from other cultures. Now you will have the opportunity to see how some of these unique snacks are actually made as Chef Jesse gives us a live demonstration.

Each Wednesday prior to virtual International Coffee Hour, we will post the ingredient list and basic instructions on our [Facebook page](#) so you can follow along with us if you wish and enjoy your own creation. It will be possible to purchase all the ingredients from Publix to ensure you can get the necessary items with the option for home delivery.

Engage in Conversation

Following the demonstration, we will move right into a more familiar format of International Coffee Hour: gathering in smaller groups for conversation. Instead of meeting around tables, you will be placed in Zoom groups for discussion. Your group can choose from our conversation topics about the featured culture or feel free to select your own topic for discussion.

Connect with Us

If you choose to follow along with Chef Jesse or make this recipe another time, please take pictures of your creation and share them with us in the Facebook event or on Instagram or Twitter using #FSUglobal.

Currently, enrolled students and FSU students interested in enrolling in GCC can schedule a meeting by clicking below.
