# Congratulations to the 2020 Global Citizen Award Winners

Chanelle Dupuis and Alexander Alvarado received the Center for Global Engagement's 2020 Global Citizen Award at FSU's Leadership Awards Night held on April 14.

These exemplary FSU students, nominated for this prestigious award by FSU faculty and staff, have made significant contributions toward fostering global understanding on campus, in the community, and abroad. Through their intercultural engagement, both at home and internationally, this year's two Global Citizen Award recipients have built relationships across cultures and fostered global awareness and mutual understanding on the FSU campus and beyond.

Chanelle Dupuis is a senior studying French and Spanish. She has fostered a global community at FSU through her leadership of La Table Française, an RSO at FSU that promotes the understanding, study, and appreciation of the French language and Francophone cultures. Under her leadership, the group's membership increased from 5 to over 150 in three years. She has also extensively researched and advocated for endangered languages in the Amazon through "Amazon Week" at FSU. She approaches the Francophone and Amazonian worlds from a non-dominant American perspective, a skill any global citizen should practice.

Alexander Alvarado is a senior studying International Affairs. He has served as the President of the Dominican Student Association and FSU's chapter of Sigma Lambda Beta International Fraternity. His leadership and service include CARE, the International Rescue Committee, and three separate internships with non-profit organizations in India, the Dominican Republic, and France. As an employee and student leader in the Center for Global Engagement, he consistently strives to create a welcoming environment for students.

Both Chanelle and Alexander are enrolled in FSU's [Global Citizenship Certificate](#), which is an undergraduate certificate program designed to prepare students to enter our globalized workforce through a combination of academic courses, intercultural exchanges, and sustained intercultural experiences.
